Dear ladies,
 Hoorah for the 12th April, and to be back in the shop with Champagne corks popping and a fresh new collection of Spring/Summer clothes to brighten our days and lift our spirits.
 Why not dress to celebrate life even if for a small gathering in our garden or a walk on the beach.
 We have some wonderful dresses from Max Mara and Sara Roka and various separates from our favourite designer Annette Gortz.
 The photographs below are just a small selection to whet your appetite and we truly look forward to seeing you when you are next in town.
 When you come, do bring a friend and stop for lunch at the **Camish Arms** - very well renowned in and out of **Tavistock**, our very handsome and historical market town.
 With Best Wishes,
 Annette and Sharon
