Dear Ladies,
This website, which is completely updated each season, is just a taste of a varied collection of styles which we hope will entice you to visit.
When you come, do bring a friend and stop for lunch at the **Coerish Arms** - very well renowned in and out of **Tavistock**, our very handsome and historical market town.
Don't forget what the fashion magazines are telling us, put everything with a pair of ankle boots for a dressed down look. And remember whether for your partner or yourself a woman with style is always noticed.
With best wishes
Annette, Jayne and Sharon
