Dear ladies,

After a lovely extended Summer, we are now proudly selling a new collection of Autumn/Winter clothes. This season you will find a selection of "investment" pieces with some gorgeous coats, jackets, cashmere knits, and separates for an understated and comfortable look. Featuring designers: Annette Gortz - Max Mara - Lamberto Losani - Amina Rubinacci - Sara Roka - Schneiders - Dom Goor - and suede boots from Issey Miyake.

We look forward to seeing you on your next visit to Tavistock - our very handsome and historic Town, and if staying for lunch, the Cornish Arms is well recommended for a well earned rest by a welcoming fire and great food.

With best wishes and kind regards,
Annette and Sharon
